69th Annual Meeting of the Society of Pelvic Surgeons
September 4-7, 2019

Target Audience

Members and Guests of the Society of Pelvic Surgeons.

Accreditation

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 13.25 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Participants claiming CME for this activity may submit the credit hours to the American Osteopathic Association Council.

Disclaimer

The information in this educational activity is provided for general medical education purposes only and is not meant to substitute for the independent medical judgment of a physician relative to diagnostic and treatment options of a specific patient's medical condition. The viewpoints expressed in this CME activity are those of the authors/faculty. They do not represent an endorsement by The Cleveland Clinic Foundation. In no event will The Cleveland Clinic Foundation be liable for any decision made or action taken in reliance upon the information provided through this CME activity.

Learning Objectives

- Identify different quality improvement initiatives in pelvic surgery
- Recognize that laparoscopic approaches may result in fewer adhesions
- Utilize newer methods of staging pelvic cancers including techniques utilizing genomes and proteomics as well as new techniques in staging using minimally invasive surgery and sentinel lymph node biopsy
- Identify the role of tertiary cytoreductive surgery in recurrent ovarian cancer
- Identify adverse functional results that may follow radical surgery for pelvic surgery for pelvic cancer, ways to assess these and improve quality of life.

Faculty Disclosures

In accordance with the Standards for Commercial Support issued by the Accreditation Council for Continuing Medical Education (ACCME), The Cleveland Clinic Foundation Center for Continuing Education requires resolution of all faculty conflicts of interest to ensure CME activities are free of commercial bias.

The following faculty have indicated that they may have a relationship, which in the context of their presentation(s), could be perceived as a potential conflict of interest:
