## Welcome to Romania!

### GENERAL MEETING INFORMATION

<b>Dates:</b>	September 23 – September 29, 2018	
<b>Bucharest Hotel:</b>	J.W. Marriott Bucharest Grand Hotel Calea 13 Septembrie 90 Bucharest 050726 Romania Phone: +40-21-4030000	
<b>Brasov Hotel:</b>	Kronwell Brasov Hotel Bulevardul Gării 7A Brasov Romania Phone: +40-368-730-800	
<b>On-Site Contacts:</b>	<b>Cristiana Pâslaru</b> Senior Project Manager Paloma Tours Mobile: +40-752-168816 Email: <a href="mailto:cristiana.paslaru@palomatours.com">cristiana.paslaru@palomatours.com</a>	<b>Carmen Tufis</b> Incoming Manager Paloma Tours Phone: +40-752-168807 Email: <a href="mailto:carmen.tufis@palomatours.com">carmen.tufis@palomatours.com</a>
<b>Weather:</b>	Romania in September is the start of Autumn, and can be a little unpredictable. Traditionally, weather this time of year has a high of 68°-77° and a low of 48°-59°. It is suggested that you pack for layers, as well as be prepared for the potential of rain. It is recommended that before you pack your bags, check the latest weather channel for updates ( <a href="http://www.weather.com">www.weather.com</a> ).	
<b>Attire:</b>	Suggested dress attire is business/business casual, exclusive of the Wassail Banquet, which is Black Tie. There will be some walking, so be sure to wear comfortable shoes. Any other suggestions will be provided in the program details below.	
<b>Transportation:</b>	Transportation has been arranged through Paloma Tours. It is recommended that you avoid using any other transportation services. If you have not already done so, please provide flight information (and updates) to Cristiana. Any additional transportation needs, should you be extending your stay, can be coordinated through them ( <i>Note: if outside the normal to/from airport/hotel, additional costs may be incurred.</i> )	
<b>Money Matters:</b>	Romania's currency is Leu (plural "Lei" – pronunciation: <i>lay</i> ). Common abbreviation is RON. US dollars and Euros are not accepted in Romania. It is recommended that you <b>DO NOT</b> utilize the exchange offices located in the airport – they offer a very bad tourist rate. Exchange Bureaus are very popular in Romania and readily available. For your ATM machines are available at main banks, airports and shopping centers. There are very few ATMs in remote areas or villages. Major credit cards including American Express, MasterCard and Visa are accepted in large hotels, car rental companies and stores in the main cities. However, credit cards are unlikely to prove useful in small towns or away from tourist areas. Contrary to practice in the US, <b>a PIN is usually required</b> to make credit card purchases. Many American banks allow cardholders to establish such a PIN prior to travel, in case one is needed. If you do not have a pin, just tell the cashier "this is a no pin credit card". Regardless, it is a good idea to notify your bank of your international travel, and the potential legitimate use of your card abroad, prior to leaving home.	
<b>Electricity:</b>	<p>Romania's electrical current is 230 V -- 50 cycles; sockets take the standard continental European dual round-pronged plugs.</p> <p>A plug adaptor (Figure) is required for non-European appliances. Please remember that simple adapters do not convert voltage or frequency. A power converter is necessary for appliances requiring 110 V.</p>	
<b>Other Practical Information on Romania:</b>	Visit: <a href="http://romaniatourism.com/practical-information.html">http://romaniatourism.com/practical-information.html</a>	
<b>Full Program:</b>	Available in program booklet provided at the Welcome Reception. If you are unable to attend the Reception, booklets are available at the Hotel Desk. An abridged version is attached. You can also find additional information on the SPS website at <a href="http://www.societyofpelvicsurgeons.org">www.societyofpelvicsurgeons.org</a> .
